Taking a Quiz with the Respondus Lockdown Browser

Last Modified on 04/29/2020 12:45 pm EDT

When selecting the quiz, please select directly from the course module itself and not from any reminder section in the corner of your computer screen as these links are relatively sensitive and must be accessed properly.

1. Login to Moodle

2. Select the course that you will be taking your quiz in

3. Select the quiz

4. Follow Prompts to complete a camera and sound check

5. Read any other test rules

6. You may now begin to take your quiz or exam
