

ODS EXAMS (Traditional)

Last Modified on 04/29/2019 1:43 pm EDT

As a student, you will receive extended time on quizzes and exams (including midterms and final exams). At McNeese, you receive time and a half. For example, if the class receives 60 minutes for an exam (i.e. one hour), you would receive the 60 minutes plus 30 additional minutes for a total of 90 minutes. To register for ODS services, please follow the steps at the following link:

If your exam is a traditional exam (i.e. hard copy, not web-based), you will take your exam at the testing center in Drew Hall (Room 200). You will need to notify your professor if you are registered with the ODS office at McNeese, so that they may get the exam to the testing center in a timely manner. You will be responsible for scheduling your exams (including your final exam) to be taken at the testing center, therefore it is recommended that you do so AS SOON AS you know the dates of your exams (i.e. It is strongly advised that these exams are scheduled at the testing center in Drew Hall room 200 in advance).
