

Disability Accessibility Services

Last Modified on 05/22/2025 9:07 am CDT

The **Office of Accessibility Services** provides support services for students who require academic and physical accommodations according to medical documentation provided.

For students who qualify, services provided may include monitored testing, distraction-reduced testing, extended test time, interpreters, and notetaking.

To register for services, please follow the steps at the following link: <https://www.mcneese.edu/oas/>

Office Contact:

(337) 475-5916
