Last Modified on 12/09/2019 5:24 pm EST

Potential criminal activity, criminal activity, and other emergencies on the McNeese campus can be reported directly to the University Police. The *on-campus emergency* number is 111 and can be accessed from any campus phone. For off-campus emergencies or when calling from a cell phone, the *emergency number is 911*. Officers are dispatched for initial investigations after receiving calls.

Emergency call boxes are installed throughout the McNeese campus. The boxes are designed with a single push button that activates an emergency blue light/strobe and makes immediate voice connection to McNeese police. The call boxes are set up for emergency means only. Routine calls should be directed to McNeese Police at (337) 475-5711. A map of the emergency call box locations can be found online at [www.mcneese.edu/police/parking](http://www.mcneese.edu/police/parking).
