

Satisfactory Academic Progress (SAP)

Last Modified on 07/03/2024 2:39 pm CDT

The policies for satisfactory academic progress (SAP) can be found [here](#).

To be eligible for financial assistance, a student must meet minimum Satisfactory Academic Progress (SAP) Standards as listed in the university catalog each semester - fall, spring and summer. Satisfactory Academic Progress is defined as passing a required number of hours and achieving a required cumulative grade point average during each semester while pursuing a degree program. SAP standards apply to all students for all academic semesters or sessions, including students who have not previously participated in federal aid programs.
