

Tips on Submitting Work in Moodle, Turnitin or Respondus

Last Modified on 06/02/2020 1:25 pm EDT

- Submit assignments on time. In Moodle your instructor may close assignments and not allow late submissions, so don't expect to be able to electronically submit an assignment past the deadline.
 - Look for a confirmation screen to make sure your assignment is submitted. (This might look different depending on the kind of assignment.)
 - Know which file formats your instructor will accept (.pdf and .doc are usually preferred).
-
